

Be Part of the Neighborhood Association!

自治会に加入しましょう！

In Minokamo City, neighborhood association come together and address the community issues, which is closely related to our lives. Having a good neighborhood will lead you to a fulfilling life.

Neighborhood Association Activities for Safety and Community Enhancement.

Environmental Beautification and Management of Garbage Collection.

(環境美化・ごみステーションの管理)

In order to make our community clean and comfortable place to live, neighborhood association manage roads and parks beautification and administration maintenance of garbage collection points which are necessary for everyday lives.

Support Activities. (支え合い活動)

Supporting each other activities such as watching over elderly and children going to school safely.

Recreation Activities that Promote Friendship. (親睦・レクリエーション活動)

Recreation activities that allow residents to participate freely and promotes mutual friendship among neighbors.

Disaster Prevention Activity. (災害時の助け合い・防災訓練)

Neighbors are the one who could help you when unforeseen disasters (earthquake, fire, floods etc.) occurs. Residents association will need to have systematic emergency/evacuation drills in order to provide help in times of disasters.

Crime Prevention Activity. (防犯活動)

Installation and maintenance of security street lights which protect the safety of residents on the streets at night. Residents will be able to talk and identify their own neighbors that could lead to prevention of crimes.

City Information. (市からの情報)

Notices from the city hall and regional information are delivered through public relation magazines or letters pass along from house to house. Foreign versions of public relation magazines are also available in Portuguese and English. Issuance and contents of public relation magazines in foreign versions differ from it's Japanese version. There are neighborhood association that may deliver the public relation magazines foreign versions to foreign members.

We asked all the members of the Neighborhood Association (Jichikai)

What is an [Advantage] or [Happy] for being a member of the Neighborhood Association?

(自治会に加入されている方にお聞きしました。自治会に入って「良かった」「うれしかった」ことは何ですか。)

- * “At first I felt worried when I started to live in a place where I didn’t know anyone. But now, I’m glad I got to know members whom I could consult about raising a child. (Female/30-39 years old)
- * “I enjoy playing baseball, volleyball and etc. even at my age” (Male/70-79 years old)
- * “I made new friends since I participated in sport of the neighborhood association and even now I enjoy eating and travelling with them. (Female/60-69 years old)
- * “I enjoy participating in sports and any other events.” (Around 30’s/Male)
- * “I have been participating in sports and festival events. In some occasions, I have to reach out to other parents and because of that our communication has increased. It’s good to know that we are more concern for each other. (Female/ 30-39 years old)
- * “I think it is a good thing where everybody can interact while enjoying doing a disaster drill and etc.” (Female/ 30-39 years old)
- * “By participating in the events of the neighborhood association, you will get to know people you don’t often see. And I think they build a comfortable environment to live in.” (Male/ 40-49 years old)
- * “Since I participated in the neighborhood association I get a chance to hear people talk about their experiences, so I guess living here is nothing to worry anymore. And I’m so thankful that there are certain groups or others who are watching over the children when they are going and coming home from school safely.” (Female/ 50-59 years old)
- * “It is good that when you get along with the people you may be able to exchange information with them.” (Male/ 30-39 years old)
- * “Through the activities of the neighborhood association I recognized the faces of my neighbors and since then I get to greet them.” (Female/ 30-39 years old)
- * In raising a child it is necessary and important to have an interaction in the community and because of that the people I met increased. It made possible by joining a neighborhood association.” (Male/50-59 years old)
