

To All Foreign Residents

国勢調査 2025

A Request Regarding the Census

2025 Census

The Government of Japan will conduct a census. The national census is conducted every five years to collect data on the number of people and households living in Japan. All residents of Japan, including foreign residents, are required to respond.

We kindly ask for your cooperation in completing the census on or before October 8, 2025.

How to Respond

← Open this envelope!

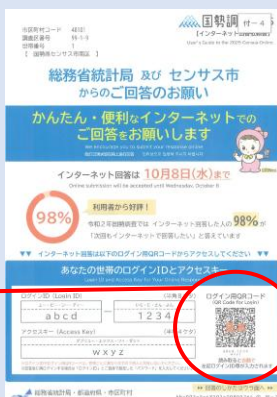

Around September, you will receive a white-and-blue envelope at your home.

EASY !

Easy Online Response!

Scan the QR code printed in this paper to log in and complete the census online.

or

You can also respond using the enclosed questionnaire and mail your responses.

The system supports eight languages

Japanese, English, Chinese (Simplified and Traditional), Korean, Vietnamese, Portuguese, Spanish

About Your Personal Information

Your responses will be used exclusively for the census, in order to create and analyze census data. They will not be used for any other purpose. Your personal information will be kept confidential. Please feel free to respond.

The results of the census will be used for everyone's benefit.

For example ...

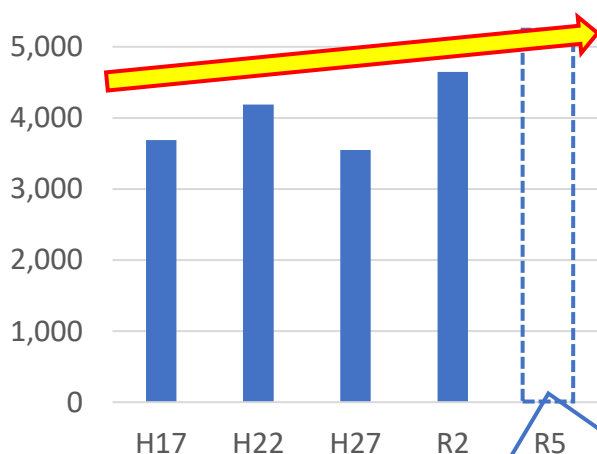

Preparing food supplies in the event of earthquakes or other disasters.

Planning support measures to improve the quality of life for everyone.

(人) Foreign Residents in Minokamo City

The results of this year's survey will be reflected here.

The number of foreign residents in Minokamo City is increasing.

➡ We want to consider policies and support measures for both Japanese and foreign residents. Please provide information regarding yourself and your household.
